## TEAM FORMAT:

---

- You will not play with your teammate on the same board, rather your points will be combined.
  - Pairings will be determined off of team performance
  - Top 4 teams will be determined by the cumulative total of points earned by both players in the open
  - Top 4 teams will be advance to blitz Playoffs
  - Top 2 teams from Playoffs will advance to Finals
  - Your teammate's performance will not affect your rating
  - If your teammate does not show up, we cannot guarantee that an alternative can be found. So remind them at LEAST 5 times a day the whole week prior.
- 

### PLAYOFF SPECIFIC:

- Blitz playoffs and finals are team vs team - you will play 2 games against one of the players of the opposing team, and your teammate against the other (4 total games as a team)
  - To win a playoff, your team will need to win majority of the 4 games
  - The winners of the playoffs will faceoff in the finals, while the losing teams from the playoffs will battle for third prize
  - The winners of the finals will win first, with the losing team of the finals winning second
  - Any 2-2 ties in the playoffs/finals will be broken with a single 5+0 bughouse match
